25X1 1. Comment. Possibly tank spare parts, as a large tank repair shop of the GOFG is located in Kirchmoeser.

25X1 2. Comment. Polish deliveries to the Brandenburg/West railroad repair shop in Kirchmoeser, possibly locomotive tires which are in short supply in East Germany.

25X1 3. Comment. In April, a daily average of 320 carloads of coal and coke entered East Germany via Forst as against a daily average of 292 carloads in March 1953.
